EXCLUSIVE Finixa Products

THE MOST COMPLETE RANGE OF WORLD-LEADING MARINE COATINGS AND BOAT CARE PRODUCTS IS NOW AVAILABLE IN NEW ZEALAND.

New Zealanders now have access to the most complete range of coatings in the market, with the Hempel Yacht range. Covering all substrates, needs, conditions and techniques, the range includes products such as:

- Osmosis treatments - a new innovation in the market
- Leading technology antifouling & fouling control solutions
- High performing primers - protecting from the harsh marine environment
- Topcoats which provide longer gloss and colour retention
- Boat care products which save time and hassle for boat owners
- Varnishes and oils - enhancing the looks and feel of natural timber substrates

With a strong global R&D focus, Hempel yacht are continuing to innovate, and releasing new and exciting products regularly, such as the new products to market - Light Primer aerosol & Bilge & Locker paint. Hempelyacht.co.nz

Spend more than \$300 on Hempel yacht products in store and go in the draw to win.

Here's a few products within the Hempel yacht range...

Light Primer spray NEW two pack epoxy now available in an aerosol. Game changer for maintenance, spot repair & touch up. Can also be used as a primer before antifouling propellers. Also available in 375ml, 750ml, 2.25 & 5ltr.

Bilge and locker paint NEW
An easy to use, single pack - providing excellent durability with good water and oil resistance for bilges and lockers.

Epoxy sealer
A two pack Epoxy Sealer, designed to penetrate, saturate and seal porous materials.

Diamond varnish
High gloss two pack polyurethane clear varnish. Extremely durable, mirror-like, non-yellowing finish.

FILLERS, SEALERS, GLUE, PRIMERS, UNDERCOATS, TOPCOATS, DECK COATINGS, VARNISHES, OILS, ANTIFOUL, OSMOSIS TREATMENT, BOAT CARE

SPECIAL CONDITIONS APPLY: Offers in this publication are subject to product availability and are for the month of November 2015 only. All prices are exclusive of GST. Product may differ from those illustrated.

Hempel Olympic Anti-Foul

Hempel's Olympic Antifouling advances antifouling technology as we know it in New Zealand. By incorporating a globally patented inorganic fibre reinforcement in the film, you will get a stronger, smoother finish, with a more controlled polishing rate. This reduces drag, improving fuel efficiency and speed.

EXCLUSIVE - Win a fishing trip!

Win a fishing charter for you and three mates with Linkup Paints, 3M and Fat Boy Charters.

What better way to spend a day, catching some fish and having a few laughs with your mates.

Simply purchase

1 x carton 3M masking tape (AMT, 2248, 233+) or
2 x boxes of 3M hookit discs (255P or Clean Sand)
You will then be in the draw for a great day's fishing with
Fat Boy Charters of Mt Maunganui.

** The charter leaves from Mt Maunganui 7am and returns approximately 3.30pm, includes all tackle and bait. Dates to be arranged with the winner, the winner will be advised after the draw early December 2015.

BONUS!

The winner & their three mates will receive a rod and reel combo all ready for their days fishing!

Does your workshop floor need painting?

Cotec Tuff Floor WB

Tuff Floor WB is another great premium quality product from Cotec. An epoxy coating with the adhesion and abrasion resistance of solvent based epoxies but with the ease of application found in water based products.

- Don't put up with a poor floor
- Extensive colour range
- Resistant to most solvents
- Easy to apply and lasts for years

Contact your Paint Smart representative to discuss Tuff Floor WB for your floor.

At Linkup we have the products to paint your spa or swimming pool with ease...

...and give you a quality durable finish.

Cotec is one of the very few paint companies that have specialised coatings for swimming pools and stand behind them! We can supply traditional chlorinated rubber coatings for pools, however this type of product has very limited durability so we would much rather promote and specify a quality epoxy coating.

Epotec High Build is the perfect solution for swimming pools; it will cure to give a hard durable chemical resistant surface, which is jointless, hygienic and mould resistant. Epotec is manufactured for concrete, concrete block and fibreglass swimming pools.

We offer and strongly recommend an inspection and specifications which we can organise free of charge, simply contact your Linkup Paints representative or call the office and ask for Craig.
